

Dear Member/Parent/Carer/Professional

After the difficult few months that we have all faced I am excited to be able to share our fantastic news with you all...

Some of you may be aware that over the past few years I have been trying to find the right venue to lease that will allow sole use of the building by us. Sharing buildings has been a bit tricky at times and with the extra hygiene, social distancing and precautions in place due to Covid-19 it proven difficult at the venue we are currently using. I am excited and pleased to announce that we have committed to a five year lease for a fantastic venue in Tarvin. This will enable the groups to thrive and give us that much needed security that we need going forward. I have always been worried that the owners of the halls we have been hiring could cancel at any time. Our new building will give us the freedom to grow the activities that we provide going forward due to the large amount of space that we now have.

Our new building has everything we need to provide a fully flexible service that meets individual's needs on a group or singular basis. Myself and a few of the Team have been working hard over the last four weeks decorating and getting the building up to our high standards ready for us to welcome you from September 1st. All groups will carry on as normal at Northwich until Friday 28th August. We will then be based at the new venue.

- Private secure large garden for our keen gardeners, we will be planting vegetables, flowers and maintaining the beds and garden. There are feeders for our keen bird watchers along with tables and chairs ready for our socially distancing bbq's, parties and lots more
- Ample parking spaces – allowing extra drop-in sessions (and safer drop off and pick ups)
- Fully equipped kitchen
- Disabled Toilet and toilets
- Art and Craft area
- Two large Activity/Work stations
- Pool & Bar/Cafe area
- TV area – for our film and curry nights
- Dram/Dance/Mindfulness studio
- Mini Gym with cardio equipment
- Office for parent/carer/social work meetings
- Sensory/Chill Out pod for those needing to take some time out

Here is a sneaky preview of what we have been working on so far...
